| <b>Unit</b>                         | { 0 , 1 }  |
| <b>Available dimensions</b>         | total  |
| <b>Methodological explanations</b>  | <p>In Poland, the Statistical survey program of official statistics serves as a National Statistical Plan.</p> <p><b>The Statistical survey program of official statistics (PBSSP)</b> specifies the current objective and subjective scope of statistical surveys and responsibilities connected therewith. The Statistical survey program of official statistics is determined annually by the Council of Ministers by way of Regulation. The Statistical Council outlines the draft of PBSSP for each consecutive year upon a proposal prepared by the President of Statistics Poland.</p> <p>PBSSP determines for each survey:</p> <ol style="list-style-type: none"> <li>1. Topic and the body conducting survey</li> <li>2. Type of survey</li> <li>3. Subjective and objective scope</li> <li>4. Data source</li> <li>5. Subjects obliged to provide information and transfer statistical data or voluntarily participating in survey</li> <li>6. Form of data transfer</li> <li>7. Frequency and date of data transfer</li> <li>8. Place of statistical data transfer</li> <li>9. Types of final statistical information and forms and dates of dissemination of final statistical information</li> <li>10. Costs and ways of financing</li> </ol> |
| <b>Data source</b>                  | Statistics Poland  |
| <b>Data availability</b>            | Annual data; since 2010  |
| <b>Notes</b>                        |  |
